

Frequently Asked Questions (FAQ)

What is the program?

The Corporate Development Initiative:

- Enhances the capabilities of the CAU Career Center
- Introduces the INROADS Career Pathways Tool (ICP)
- Includes INROADS LDA Training and Mentoring Program
- Identifies High-Impact Students for Paid Internships
- Provides Real-World Paid Internships

How will it work?

The CDI will allow INROADS and CAU Career Center to work together for early identification of high-impact students. Students will receive career readiness training and exposure and will be provided with opportunities to compete for Paid Internships with F500 companies such as Apple and Southern Company.

How do I apply?

Students can go to INROADS.org to apply.

Who provides the training?

Training will be provided by more than 100 INROADS Staff and Alumni.

Is this a one-time program? Or will I be in the program all three years if I start as a freshman?

You will be in the program for all three years.

How many students do you want to have?

There is no limit, but in year one we would like to have more than 50 students in the program.

Will I get an internship if I participate?

You will get to compete for Internships.

What is the application process?

Go to INROADS.org and apply today with referral code CDI.

What kind of commitment will the program require?

The program will require a commitment to the training, internship and performance on a daily basis.

Who will run the training program?

The program will be run by INROADS Program Staff in partnership with Clark Atlanta University Career Services.

What is the desired outcome of this program?

The desired outcome is to produce and place 50+ High-Impact Students into both Corporate and Entrepreneur Paid Internships each year.

Will this program be in-person or virtual?

The program will be virtual year one to ensure compliance with COVID standards of the University and CDC.

When will the program launch?

It will launch in summer 2021.

Who do I contact with questions?

Contact Devin White (INROADS) Alum at alumnirelations@INROADS.org.

How can INROADS or CAU Alumni get involved in the program?

Contact Devin White - INROADS National Director Alumni Relations at alumnirelations@INROADS.org.

When will training be provided (what is the schedule?) TBD
